

Let's build a fort!

Are you spending a lot of time inside these days? Why not build a fort? Below are a few ideas of how to build a fort. The images use Ikea products, but don't worry, you can use any type of furniture and house hold items. See how creative you can get! And as you build your tent with your family, take time to read Psalm 91 and remember that God's presence is our safe hiding place from any danger or storm!
