

## Learn and remember the fruit of the spirit with a fruit of the spirit necklace

First, have the children **color** the pictures.

Next, have them **cut** the large circle and use a 2 inch puncher to cut out the small circles.

Then, use a hole punch to **punch holes** in each of the circles.

Finally, have the children **string** the circles on yarn or string to create a necklace.

A fun, easy and simple to help your little learners remember the fruits of the spirit!

\*Note: If you are unable to print the template, you can draw your own pictures and cut them out for your necklace! :)
