*Making Memories With Your Kids*

## What you'll need:

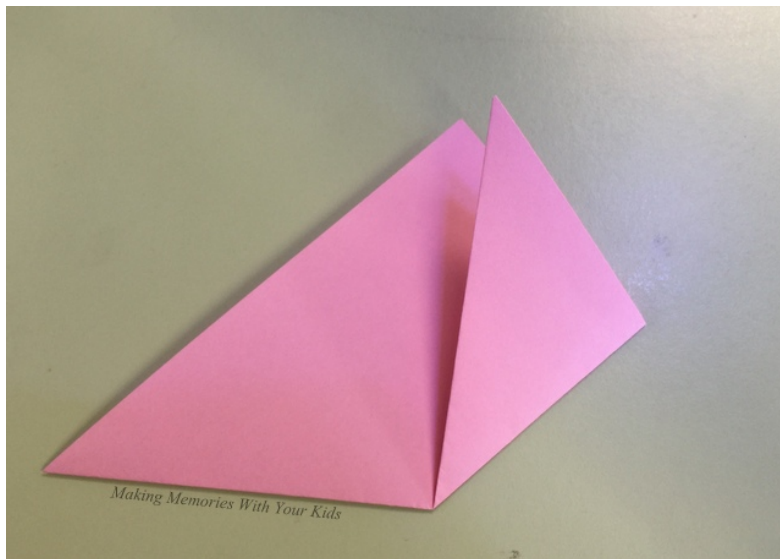

- Colored paper (lighter weight for the bookmark)
- Construction Paper, Assorted Colors (for the decorations)
- Googly eyes or hole punches. (If you don't have these, you can just draw the faces on with crayons or markers!)
- Scissors
- Glue or tape

**Directions:**

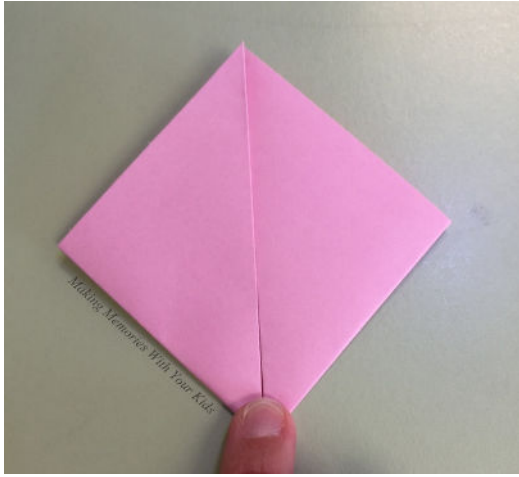

1. Cut your paper in a 6×6 square. You don't want to use heavy card stock or else it'll be tough to fold. You can use colored paper or even origami paper.
2. Fold your paper in half, corner to corner.

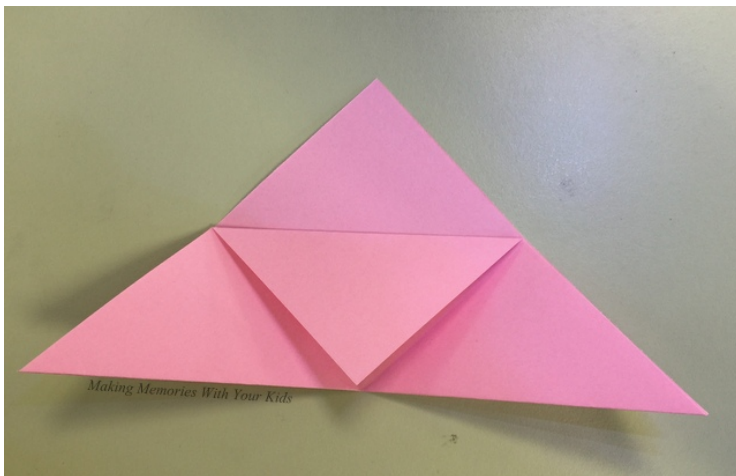

3. Fold one end of your triangle up to it reaches the top of the triangle.

4. Do the same to the other side.

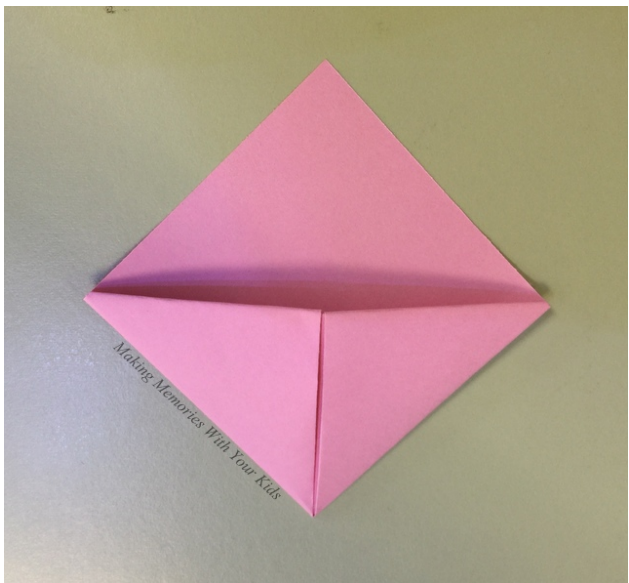

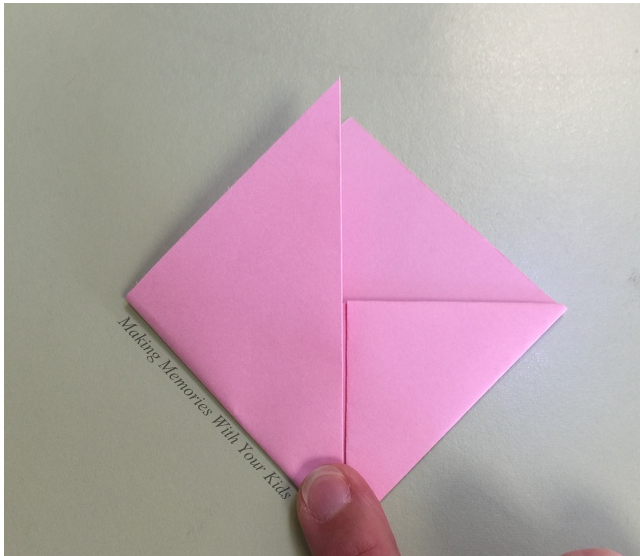

5. Open your triangle and fold the top flap of the center to the bottom.

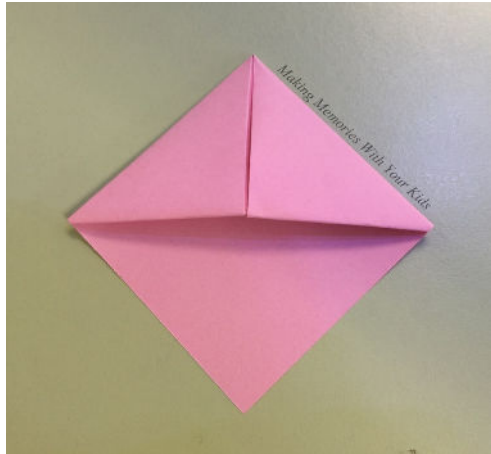

6. Take the right corner and tuck it into the middle "pocket".

7. Take the left corner and tuck it into the "pocket".

8. Rotate it. Now you have the head of your animal or monster.

Now decorate it with whatever you have: googly eyes, paper eyes, teeth, etc. Kids can be as creative as they want!
