

# DISCIPLESHIP *challenge*

A while ago, we asked you to fill in a survey in order to for me to better understand your needs and help serve our community. Thank you for taking part in the survey, because as a result of the survey, the **discipleship challenge** was born. And if you wonder whether the name sounds vaguely familiar to ice bucket challenge that went viral a few years ago, you would be 100% correct.

## Rules of the Discipleship Challenge:

1. Find a friend with whom you'll meet up intentionally once a week or every other week for 3 month long. This can be done in a coffeeshop, restaurant, home or even the park. The whole idea behind this challenge rests on the passage found in **Proverbs 27:17** which is:  
As iron sharpens iron,  
so one person sharpens another.
2. Write to [discipleship@scfenglish.com](mailto:discipleship@scfenglish.com) and register you and your friend. Why the need to register. Well, in an effort to help with the accountability aspect (because we all do so well with self-disciple) We will match you and your friend with 2 other people who have also accepted the challenge.
3. And once you and your friend meet, you'll take a selfie and send it to the other 2 people you have been matched to.

By the end of the 3 months, we will make a little compilation video of all the selfies you took to celebrate the successful finish of the discipleship challenge. The hope of this video will be to spur you on to continue with this challenge for the next 3 months and hopefully others who have not yet joined the challenge.

## Structure of the Meetup:

Talking casually about your life, the challenges you face and even your prayer requests. Then unpack that and allow yourself to be open and vulnerable for God to use your friend with the goal to transform you to become more like Christ.

The #JesusAtTheCenter initiative the discipleship ministry has been advocating for here at SCF. However, if this sounds too informal to you or too daunting, the discipleship ministry will gladly help and guide you if that's something you desire.

You can sign up at any time, but the **official discipleship challenge will start on the 1<sup>st</sup> of April.**
